

Felt Cat Christmas Decoration Template

You will need:

Felt
Embroidery thread
Polyester stuffing or similar
Cord or ribbon

Stitch the details in running stitch or stem stitch.

Sew all the details apart from the outer edge stitches onto the front piece of felt, then join the front and back pieces using running stitch or back stitch.

Leave a small gap at the bottom to insert stuffing.

Insert a ribbon or cord into the seam at the top of the cat's head.
